**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please stop favoring big companies over the small ones. Competition brings better prices to EVERYONE including you. Having more options in service providers across all industries provide better service, prices, because these companies will work harder to keep OUR recurring hard earned dollars. I was paying \$120 for Comcast in San Francisco for internet only service. But Sonic now serves my area at half the price with better service.
